**nilco Maestro S 12**

- Max. 1400 Watt, motor-noise reduced to 62 dB (A)
- Acid and alkali-proof plastic canister, 12 L capacity
- Extremely mobile with 5 durable fully rotating castors
- Designed to serve for cleaning purposes at hotels, hospitals & libraries that require silence cleaning
- Operating radius: 12 m
- Weight: 9.7 kg
- Colour options: Red, Yellow, Blue

**Accessories:**
- 2 plastic coated aluminium suction tubes
- 2.5 m suction hose with handle and suction control
- Floor cleaning nozzle for carpets
- Crevice and upholstery nozzles
- Paper dustbag
- Textile fine dust filter

---

**nilco S 515**

- Max. 1600 Watt
- Designed for dry type vacuum cleaning
- Heat resistant stainless steel canister with 19 L capacity
- Extremely mobile with 5 durable fully rotating castors
- Designed to serve for cleaning purposes at hotels, hospitals & libraries that require silence cleaning
- Operating radius: 12 m
- Weight: 10.2 kg

**Accessories:**
- 2 plastic coated aluminium suction tubes
- Suction hose with handle and suction control
- Floor cleaning nozzle
- Crevice nozzle
- Furniture brush
- Upholstery nozzle
- Paper dustbag
- Foam filter
- Textile filter

---

**nilco S 12 Dry Type Vacuum Cleaner**

- Two folded paper filter and textile filter available.

- Efficient filtration system
  - Large capacity, washable textile filter protects the fan filter.

- Thanks to the silent, powerful and special sound proof fan motor, the noise level is reduced to 62 dB(A).
Dry Type Vacuum Cleaners

Standard Accessories for S 20 L / Back Vac RS 17

- 2 metal suction tubes
- Suction hose with handle and suction control
- Swivelling floor nozzle
- Upholstery nozzle with thread pick-up
- Swivelling furniture brush (only S 20 L)
- Crevice nozzle
- 2-ply paper filter
- Textile fine dust filter

Optional Accessories for S 20 L / Back Vac RS 17

- Hard Floor Nozzle
  (S 20 L / Bac Vac RS 17)
  Ref.No. 24 13 880
- Electric Suction Brush
  (S 20 L / Bac Vac RS 17)
  Ref.No. 33 04 810
- Turbo Suction Brush
  (S 20 L / Bac Vac RS 17)
  Ref.No. 24 14 820
- HEPA Filter
  Ref.No. 22 15 870

S 20 L Dry Type Vacuum Cleaner

- Max. 1100 Watt, motor-noise reduced 65 dB (A)
- Push-button release
- Multiple filter system with 2-ply paper filter, textile fine dust filter and motor protection filter
- Utensil socket
- Automatic overload protection
- Acid- and alkali-proof plastic canister with 15 liter capacity, injection moulded
- Extremely mobile with 3 durable fully rotating castors
- Simple exchange of supply cable
- Operating radius: 12 m
- Weight: 5.5 kg

nilco BACK VAC RS 17

- Max. 1000 Watt
- Suitable for all vacuum cleaning operations in confined situations
- Designed on ergonomic principles to conform to the shape of the body
- User-friendly with lightweight (only 5.5 kg)
- Operating radius: 14 m

Accessories:
- Suction hose with hand tube
- Suction control
- 2 plastic suction tubes
- Crevice nozzle
- Upholstery nozzle
- Universal floor nozzle
- 2-ply paper filter
nilco Carpet Sweeping Machines

nilco Carpet Sweeping Machine 276-17
- Max. 1600 Watt (1000 Watt suction motor and 600 Watt brush motor)
  For edge-to-edge sweeping and vacuuming, automatic adjustment to carpet pile
- Suction canister with hand vacuum accessories
- Multiple filter system with paper filter, motor protection filter and micro exhaust air filter
- Filter exchange indicator
- Roller brush stops automatically when hand vacuum accessories are in use
- 4-segment roller brush with replaceable segments
- Metal casing
- Working width: 36 cm
- Operating radius: 14 m
- Weight: 10 kg

Accessories:
- Flexible suction hose
- Suction tube
- Crevice nozzle
- Upholstery nozzle

nilco Combivac 1117 C
- Max. 1100 Watt (1000 Watt suction motor and 100 Watt brush motor)
- Canister with 2-ply paper filter, micro exhaust air filter, motor protection filter, filter exchange indicator
- Dual-line roller brush, working width 30 cm, working height 7.5 cm, 3-micro pile adjustments, carrying handle, soft roll castors
- Operating radius: 9 m
- Weight: 8 kg

Accessories:
- Guide tube with rotating cable holder
- Suction tube
- Long, extremely flexible suction hose with handle
- Upholstery nozzle
- Crevice nozzle
- Paper filter

nilco Combivac 1417 C
- Max. 1200 Watt (1000 Watt suction motor and 200 Watt brush motor)
- Working width 46 cm, with electronic brush and suction control
- Efficient filter technique with easily exchangeable motor protection filter and micro exhaust air filter
- Practical cable rewind
- Soft roll castors
- Operating radius: 14 m
- Weight: 9 kg

Accessories:
- Suction tube
- Long, extremely flexible suction hose with handle
- Crevice nozzle
- Upholstery nozzle

Roller brush red, extra hard
Ref.No. 23 13 170
Area of application: Extremely low, hard pile (e.g. needle felt, flowtex etc.)

Roller brush hard, standard equipment
Ref.No. 33 16 170
Area of application: Nearly all kinds of flexible flooring

Roller brush, soft
Ref.No. 33 18 740
Area of application: Extremely sensitive carpets
nilco S 335

• Max. 1600 Watt
• Suitable for dry and wet pick-up
• 25 L plastic tank capacity
• Float valve motor
• Extremely mobile, thanks to 5 manoeuvrable castors
• Operating radius: 9 m
• Weight: 10.2 kg

S 335 Standard Version

Accessories:
• 2 plastic coated aluminium suction tubes
• Suction hose with handle and suction control
• Floor cleaning nozzle
• Crevice nozzle
• Furniture brush
• Upholstery nozzle
• Paper dustbag
• Foam filter
• Textile filter
nilco S 635

- Max. 1600 Watt
- Suitable for dry and wet pick-up
- Heat resistant stainless steel canister with 30 L capacity
- Float valve motor and splash-proof armatures
- High mobility with 5 fully rotating castors
- Operating radius: 11 m
- Weight: 12.6 kg

Accessories:
- 2 plastic coated aluminium suction tubes
- Suction hose with handle and suction control
- Floor cleaning nozzle
- Crevice nozzle
- Furniture brush
- Upholstery nozzle
- Water suction nozzle
- Paper dustbag
- Foam filter
- Star-shaped filter
- Textile filter
nilco S 745

- Max. 1600 Watt
- Suitable for dry and wet pick-up
- Heat resistant stainless steel canister with 42 L capacity
- Float valve motor and splash-proof armatures
- High mobility and durability with 5 fully rotating castors
- Operating radius: 19 m
- Weight: 14.5 kg

nilco S 750

- Max. 1600 Watt
- Suitable for dry and wet pick-up
- Heat resistant stainless steel canister with 42 L capacity
- Float valve motor and splash-proof armatures
- Extremely mobile with a carrier trolley
- Operating radius: 19 m
- Weight: 19.8 kg

Accessories:

- 2 plastic coated aluminium suction tubes
- Suction hose with handle and suction control
- Floor cleaning nozzle
- Crevice nozzle
- Furniture brush
- Upholstery nozzle
- Water suction nozzle
- Paper dustbag
- Foam filter
- Star-shaped filter
- Textile filter
Wet & Dry Type Vacuum Cleaners
with 2 and 3 Motors

nilco P 270

- Max. 2200 Watt with 2 outstanding suction power providing motors
- Suitable for dry and wet pick-up
- 70 L heat resistant stainless steel canister with tipping device
- Easy carriage and durability with trolley
- Float valve motor
- Operating radius: 14 m
- Weight: 36 kg

P 270

nilco P 310

- Max. 3300 Watt with 3 outstanding suction power providing motors
- Suitable for dry and wet pick-up
- 100 L heat resistant stainless steel canister with tipping device
- Float valve motor
- Operating radius: 14 m
- Weight: 39.8 kg

P 310

Accessories:
- 2 plastic coated aluminium suction tubes
- Suction hose with handle and suction control
- Floor cleaning nozzle
- Water suction nozzle
- Crevice nozzle
- Furniture brush
- Star-shaped filter
- Textile filter

Optional Accessory
Special Wet Floor Tool
### nilco INOX 3070
- Max. 3300 Watt with 3 outstanding suction power providing, self-cooling motors
- 70 L heat resistant stainless steel canister with a manual filter shaker
- Manometer on the control panel
- Removable drop bin
- Tipping tool specially designed for easy waste disposal
- Operating radius: 14 m

### nilco INOX 3100
- Max. 3300 Watt with 3 outstanding suction power providing, self-cooling motors
- 100 L heat resistant stainless steel canister with a manual filter shaker
- Manometer on the control panel
- Removable drop bin
- Tipping tool specially designed for easy waste disposal
- Operating radius: 14 m
- Weight: 83 kg

---

Tipping tool designed specially to be utilized in:
- textile industry
- metal industry
- processing industry
- rubber industry
- furniture and decoration industry
- paper industry
- construction industry
- chemical industry
- medicine and cosmetics industry
- glass production industry
- optics industry
- dye industry
Spray Extraction Cleaners

**nilco S 3000 Maestro**
- Max. 1600 Watt
- 2 stage by-pass motor
- 22 L solution tank capacity
- 5 L fresh water tank capacity
- Removes obstinate, heavy dirt with 4.5 Bar 48 Watt by-pass pump
- Terminates bacteria and other microscopic creatures
- Safe and easy manoeuvre with large wheels
- Silent with exhaust silencer
- Stainless steel housing
- Unique water discharge system
- Carpet, upholstery & hard floor cleaning
- Operating radius: 11 m
- Working width (floor nozzle): 26 cm
- Working width (spray extraction nozzle): 23 cm
- Weight: 15.5 kg

**nilco S 6000 Classic**
- Max. 1600 Watt
- 2 Stage by-pass motor
- 22 L solution tank capacity
- 5 L fresh water tank capacity
- Removes obstinate, heavy dirt with 4.5 Bar 48 Watt by-pass pump
- Terminates bacteria and other microscopic creatures
- Safe and easy manoeuvre with large wheels
- Silent with exhaust silencer
- Stainless steel housing
- Unique water discharge system
- Carpet, upholstery & hard floor cleaning
- Operating radius: 11 m
- Working width (floor nozzle): 26 cm
- Working width (spray extraction nozzle): 23 cm
- Weight: 15.7 kg

**Accessories:**
- Floor spray extraction nozzle with hard floor attachment
- Upholstery washing nozzle
- Switch over floor suction nozzle
- Upholstery nozzle
- Crevice nozzle
- Furniture brush
- Paper filter
- Motor protection filter
- Foam filter
- Suction hose with handle
- Touch contact switch for spraying and suction control
- 2 Suction tubes with locking mechanism
- 1 L of carpet shampoo
**nilco S 8000 Compact**

- Max. 1600 Watt
- 2 stage by-pass motor
- 17 L solution tank capacity
- 4.3 L fresh water tank capacity
- Removes obstinate, heavy dirt with 4.5 Bar 48 Watt by-pass pump
- Terminates bacteria and other microscopic creatures
- Safe and easy manoeuvre with large wheels
- Silent with exhaust silencer
- Stainless steel housing
- Unique water discharge system
- Carpet, upholstery & hard floor cleaning
- Operating radius: 11 m
- Working width (floor nozzle): 26 cm
- Working width (spray extraction nozzle): 23 cm
- Weight: 15.7 kg

**Accessories:**
- Floor spray extraction nozzle with hard floor attachment
- Upholstery washing nozzle
- Switch over floor suction nozzle
- Upholstery nozzle
- Crevice nozzle
- Furniture brush
- Paper filter
- Motor protection filter
- Foam filter
- Suction hose with handle
- Touch contact switch for spraying and suction control
- 2 Suction tubes with locking mechanism
- 1 L of carpet shampoo

---

**nilco S 9000 Delux**

- Max. 1600 Watt
- 2 stage by-pass motor
- 22 L solution tank capacity
- 5 L fresh water tank capacity
- Removes obstinate, heavy dirt with 4.5 Bar 48 Watt by-pass pump
- Terminates bacteria and other microscopic creatures
- Safe and easy manoeuvre with large wheels
- Silent with exhaust silencer
- Stainless steel housing
- Unique water discharge system
- Carpet, upholstery & hard floor cleaning
- Operating radius: 11 m
- Working width (floor nozzle): 26 cm
- Working width (spray extraction nozzle): 23 cm
- Weight: 15.8 kg

**Accessories:**
- Motor protection filter
- Star-shaped filter
- Foam filter
- Suction hose with handle
- Touch contact switch for spraying and suction control
- 2 Suction tubes with locking mechanism
- 1 L of carpet shampoo
**nilco 1227**

- Max. 1000 Watt (800 Watt blower motor, 160 Watt brush motor)
- For wet cleaning of textile and hard floor coverings. For spray extraction and scrubbing in one operation
- Dirty tank 5 L, fresh water tank 8 L
- 2 bar cleaning pressure
- Motor and armatures splash-proof, separate motor cooling system
- Special roller brush for edge-to-edge cleaning
- Integrated running gear
- Control panel for separate switching of individual working steps
- Hinged handle for easy transport
- Working width 33 cm
- Accessories: textile floor nozzle for spray extraction, hard floor nozzle for hard floor scrubbing

**nilco 1237**

- Max. 1000 Watt (800 Watt blower motor, 160 Watt brush motor)
- For wet cleaning of textile and hard floor coverings. For spray extraction and scrubbing in one operation
- Dirty water tank 12 L, fresh water tank 13 L
- 2 bar cleaning pressure
- Motor and armatures splash-proof, separate motor cooling system
- Special roller brush for edge-to-edge cleaning
- Integrated running gear
- Control panel for separate switching of individual working steps
- Hinged handle for easy transport
- Working width 33 cm
- Accessories: Textile floor nozzle for spray extraction, hard floor nozzle for hard floor scrubbing

**nilco IC 490**

- Max. 2400 Watt motor provides deep pressure required for carpet and floor cleaning
- Specially designed for large areas’ cleaning such as shopping malls, hospitals, hotels
- Operating radius: 12 m
- Canister capacity 35 L, fresh water tank 25 L
- Weight: 31 kg
**nilco SE 1500**

- Max. 1200 Watt
- For professional wet cleaning of textile surfaces
- 4 bar spray pressure
- Fresh water tank 12 L
- Dirty water tank 12 L
- Discharge hose
- 4 fully rotating castors
- Weight: 16 kg

**Accessories:**
- Floor-extraction nozzle with 2 spray nozzles and valve
- Upholstery spray extraction nozzle with integrated spray valve and inside spray nozzle
- Suction and pressure hose (3.2 m)

**nilco SE 3500**

- Max. 1600 Watt
- Pressure-extraction cleaner for professional use.
  - High suction power and infinitely adjustable pump pressure provides a perfect cleaning also in case of hard to remove dirt
- Spray pressure 2–11 bar
- 35 L fresh water tank
- 40 L dirty water tank
- Discharge hose
- Weight: 39 kg

**Accessories:**
- Floor-extraction nozzle with 4 spray nozzles and valve
- Upholstery spray extraction nozzle with integrated spray valve and inside spray nozzle
- Suction and pressure hose (4 m)
- Accessory holder
- Utensil basket
nilco 330

- Max. 1000 Watt
- Fast and thorough cleaning system for scrubbing and polishing
- For user friendly purposes the machine is equipped with large castors
- Dust and splash-proof
- Self propelled
- Poly-V-drive belt
- Brush Speed: 160 r/min
- Working width: 44 cm
- Working height clearance: 25 cm
- Weight: 30 kg

nilco 332

- Max. 1200 Watt
- Fast and thorough cleaning system for scrubbing and polishing
- Dust and splash-proof
- Self propelled
- Poly-V-drive belt
- Brush Speed: 180 r/min
- Working width: 44 cm
- Working height clearance: 28 cm
- Weight: 39 kg

nilco 550 VARIO ULTRA

- Max. 1320 Watt
- Equipped with extra castors to make left-right movements easier
- Dust and splash-proof
- Self propelled
- Poly-V-drive belt
- Brush Speed: 1100 r/min
- Working width: 530 cm
- Working height clearance: 130/320 cm
- Weight: 46 kg
**nilco E 430**

- Max. 1950 Watt
- For fast and thorough cleaning and maintenance of hard floors in large areas
- For wet scrubbing and dry vacuuming in one operation
- Dust and splash-proof
- Brush-driven
- Safety switch
- 20 m supply cable, electrically driven, suitable for continuous operation
- Working width: 43 cm
- Suction width: 74 cm
- Fresh water tank 35 L
- Dirty water tank 35 L
- Max. Scrubbing capacity: 1700 m²/hour

**nilco 50 E / B / BT**

- 50 E Max. 1000 Watt, 50 B Max. 480 Watt, 50 BT Max. 480 Watt
- Specially designed for fast and thorough maintenance and cleaning of hard floors
- For wet scrubbing and dry vacuuming in one operation
- User friendly control panel
- Speed adjustment, brushing, vacuum, battery, direction indicators and On-Off switch
- User friendly handle for easy operation
- Automatic adjustment of brush level
- Top cover can be lifted and locked again without requiring any special tools for maintenance purposes
- Working width: 50 cm
- Suction width: 80 cm
- Max. Scrubbing capacity: 2000 m²/hour
- Fresh Water Tank 67 L
- Dirty Water Tank 77 L

Double Bucket Trolley

nilco Double Bucket Trolley
- Wet mopping trolley with 2 asymmetrical plastic carrying buckets and mop press
- Each bucket’s capacity 25 L
- Buckets with recessed grip for easier emptying
- With 20.5 cm width the wringer is suitable for bigger mops
- Stable and easy mobility with 4 rubber coated castors
- Furniture protection
- Robust plastic chassis
- Aluminium mop press handle
- Chromium plated stainless steering handle
**nilco Looped-end Mop**
When compared with open end mops a tolerance against corrosive agents stands out thanks to the looped-ends and tailbands, resulting with 8 times longer product life. Provides perfect cleaning to hard floors, decreasing the cleaning time by half.

![Looped-end Mop](image)

375 g FZE650

**nilco Mop For Hospitals**
Antibacterial body provides perfect cleaning on surfaces requiring hygiene. Never shrinks even if laundered plenty of times at 90°C.

![Mop For Hospitals](image)

50 cm FZE250

**nilco Orlon Mop**
Orlon is made of electrostatic acrylic material which helps Orlon Mop to collect the dust without requiring any chemical agents.

![Orlon Mop](image)

60 cm FZE360
80 cm FZE380

**nilco Wet Cleaning Mop**
Can be used to clean a variety of surfaces and washable at 60°C plenty of times.

![Wet Cleaning Mop](image)

50 cm FZE150
60 cm FZE160
80 cm FZE180

**nilco Microfiber Mop**
Made of 100% microfiber fabric providing perfect clean and gloss to surfaces, specially recommended to be used in areas that require tender cleaning. Perfect results are obtained when collecting dusts. Washable at 90°C.

![Microfiber Mop](image)

50 cm FZE450

**nilco Polishing Mop**
Designed and produced specially for polishing purposes as fabric doesn't absorb the polish that results in glossy surfaces.

![Polishing Mop](image)

50 cm FZE550

**nilco Mop Stick**
Aluminium made mop stick doesn't oxidise.

![Mop Stick](image)

Diameter: 22 mm
Length: 140 cm

FZE910

**nilco Standard Mop Head Tool**
Can be used in wet and dry cleaning.

![Standard Mop Head Tool](image)

50 cm FZE890

**nilco Wire Mop Head Tool**
Plastic and galvanised wires can be folded and related mops can be mounted on easily.

FZE910
NILCO SUPERMATIK
- 20 kg – PE BAG
- Low foam synthetic powder detergent with TEAD bleach activating system
- For automatic washing machines
- Excellent cleaning effect for heavy dirt at low washing temperature
- Does not cause laundries to wear out
- pH: 10-11

NILCO SOFT
- 20 L – Canister / 5 L – Canister
- Fabric softener avoiding the laundry to wear out while providing an amazing softening effect resulting with easy ironing
- Can be used in softening both white and coloured fabrics
- pH: 2.5 – 3.5

NILCO FIXMATIK
- 20 L – Canister / 5 L – Canister
- Liquid dishwashing detergent penetrates into the dirt and emulsifies all kinds of greasy stains resulting with glossy dishes
- Does not get effected at different types of water hardness
- pH: 12-13

NILCO DESCALER
- Carton 4x5 L – Canister
- Solves and removes the lime within dishwashing machines, tea or coffee makers and provides a stainless gloss
- pH: 1.5 - 2.5

NILCO HEAVY
- 10 kg – PE BAG
- Solvent of heavy dirt such as oil, blood and heavy stains
- Powers-up the active washing materials
- pH: 12

NILCO CLOR
- 10 kg – PE BAG
- Used for bleaching laundry and providing extra hygiene with its strong formula
- Provides intensive and very deep cleaning for all kinds of dirt
- pH: 9-10

NILCO BISTRO
- 10 L Canister
- Specially designed formula provides efficient cleaning of industrial and domestic kitchens and food production facilities
- pH: 12 ± 1

NILCO RINSE
- 20 L Canister
- Special formula contains active materials to solve oil and remove stains. Provides a stainless gloss to dishes
- pH: 2.5 – 3.5
General Cleaning Products

NILCO FLOOR
- 10 L Canister
- Provides perfect cleaning to surfaces, avoiding dirt to stick on the floor and providing a long lasting and charming fragrance. Doesn’t require rinsing after use
- Does not get effected at different types of water hardness
- pH: 7 - 8

NILCO CARPET SHAMPOO
- 5 L Canister
- Removes dirt and provides excellent cleaning and hygiene by its formula composed of special surface-active materials
- Leaves a pleasant smell after use
- Suitable for use in all spray extraction vacuum cleaners
- pH: 7

NILCO HANDY
- 20 L - Canister / 5 L - Canister
- Hand cleaning liquid leaves a pleasant smell and softness on hands
- Formulated to protect the pH balance on skin
- pH: 5.5 - 6.5

NILCO GLASS
- Carton 4 x 5 L Canister
- Carton 12 x 0.5 L Canister
- Special formula contains efficient gloss providing solvents to instantly clean the glass surfaces
- pH: 7 - 8

NILCO CLEAN-EX
- 10 L Canister
- Disinfects a wide range of fungus, bacteria and viruses
- Can safely be used in food and health industry
- Doesn’t require rinsing after use as no effects of corrosion is observed
- pH: 7 - 8

NILCO CLEANER
- 20 L Canister
- Can be used to obtain perfect cleaning on hard floors
- Avoids dirt to stick on the floor while providing a long lasting and charming fragrance
- Formulated to protect the pH balance on skin
- pH: 7 - 8

NILCO HAND WASH
- 20 L Canister / 5 L Canister
- Formula composed of anti-bacterial materials
- Provides extra hygiene while protecting the pH balance on skin
- pH: 5.5 - 6.5

NILCO TOILET CLEANER
- Carton 12 x 750 ml Canister
- Provides efficient hygiene and perfect cleaning in toilets while solving stains and lime
- pH: 1.5 - 2.0
